

FULL-TIME GRAPHIC DESIGNER (JUNIOR - INTERMEDIATE) 5 MONTH CONTRACT

Immediate opening for a highly motivated, talented (junior - intermediate) graphic designer. Responsibilities will include supporting the Creative Director with production and design. The ideal candidate will be able to balance multiple projects at once. They must be currently operating with CC files and would require own equipment and software.

Major Duties and Responsibilities:

- Assist the Creative Director with day-to-day tasks with a strong focus on editorial design, branding and interactive design.
- Other responsibilities include conceptualization and design of graphic applications such as retail advertising and POP, books and magazines, corporate identity, branding and multimedia interfaces, from concept to completion.
- A strong understanding of typography and layout are a must.
- He or she should be able to take instructions from the Creative Director and create a complete project from concepts to layouts, editing and final artwork release, working proficiently in InDesign, Photoshop and Illustrator.

Qualifications:

- Bachelor degree in graphic design or equivalent experience
- Ability to meet deadlines quickly and efficiently
- Strong focus on detail, organization, and self-motivation
- Proficient in the Adobe Creative Suite programs including: Photoshop, Illustrator and InDesign

Office is in Toronto, and we are open to flexible hours with the option to work remotely a couple days a week. The contract is for 5 months with the opportunity for extension.

ABOUT LISA DAVISON DESIGN

Lisa's passion lies in design. It isn't about a job or a career, it is about living and loving the work that she does day in and day out. Her drive and creative energy are what leads her from one challenge to the next.

Before opening up her own studio, Lisa gained experience working in the editorial world for FASHION magazine and Weekly Scoop and then moved into retail as the lead Art Director for Stitches, part of YM Inc. She now works on a wide range of projects including branding, packaging, editorial and online interactive design with clients in the fashion and beauty industries as well as the corporate world. Lisa has established strong relationships with her clients and has helped take them to the next level.
